GPO is pleased to announce the re-launch of its agency Web site, www.gpo.gov . This enhanced site includes separate Web pages for FDLP and LSCM information for the public. The new Web pages will help inform the public about and lead the public to Federal depository libraries. The redesigned site includes links to
FDsys
,
GPO Access
, the
Catalog of U.S. Government Publications
, the
Federal Depository Library Directory
, The FDLP Desktop,
Ben's Guide
, and more, as well as Web pages for each of the agency's departments.
