Effective immediately, GPO will cease using cutter numbers on the Hearings issued by the Joint Economic Committee:

- SuDoc Y 4.EC 7:
- Item nos. 1000-B (P), 1000-C (MF)

GPO will use the serial number that is on the Hearing as the suffix for the SuDoc class. This new procedure is consistent with the classification numbers assigned to other Congressional Committee Hearings. Chapter 5 of the GPO Classification Manual outlines this practice. Publications classified prior to this announcement will not be changed to reflect this new practice.

For example:

- Title: Evolution of an Economic Crisis?: The Subprime Lending Disaster and the Threat to the Broader Economy, Hearing Before the Joint Economic Committee, Congress of the United States, 110th Congress, 1st session.
- Serial no. 110-250
- SuDoc Class: Y 4.EC 7:S.HRG.110-250
