Segmentation Survey Deadline Extended

At the end of May GPO requested that all depository library coordinators submit the segmentation survey. GPO thanks those who have done so.

As of 06/15/2009 nearly half of the depositories had not completed the survey. The survey is very important as the results will determine how GPO categorizes your library

The survey deadline has been extended. If you have not completed the survey, it is imperative that you do so by June 22nd.

The **survey** is very short and should take less than five minutes to complete. It is **available online**.
If you have any questions, please e-mail **Cindy Etkin**.
