
The 2008 U.S. Government Printing Office Style Manual is now available from the U.S. Government Printing Office. The Style Manual is the product of many years of public printing experience and has served Federal printers since 1894. This manual serves as a guide to the style and form of Federal Government printing.

The online version of the 2008 U.S. Government Printing Office Style Manual is available through GPO Access .

Copies of the 2008 U.S. Government Printing Office Style Manual are available for purchase from the U.S. Government Bookstore .

In addition, the 2008 U.S. Government Printing Office Style Manual was distributed to Federal depository libraries in paper format under:
