Concurrent with the change in Administrations, the Weekly Compilation of Presidential Documents has been replaced by the Daily Compilation of Presidential Documents, effective January 20, 2009. The Daily Compilation will keep the same SuDoc class (AE 2.109:) and item number (0577-A) as the previous title. GPO catalog records will be updated to reflect the title and frequency change.

The Weekly Compilation of Presidential Documents will continue to be available on GPO Access
and the new Daily Compilation of Presidential Documents will be accessible through GPO Access
and through FDsys
.
