FDLP Public Service Announcement

GPO is pleased to announce the release of a new Public Service Announcement (PSA) promoting the FDLP. This particular PSA was created to inform students, faculty, and staff at academic institutions with depositories on campus about the valuable Government resources that are available to them.

GPO has reached out to a number of campus radio stations across the country about airing this 30-second PSA. If you are interested in having your institution air this PSA, please contact us through the **askGPO** help service. Please choose the category "Federal Depository Libraries" and the subcategory “Marketing Strategies/Radio Spots.”
