GPO is pleased to announce the renewal of its partnership with the Richard J. Daley Library of the University of Illinois at Chicago through 2012. Originally signed in 1997, the partnership provides permanent public access to content in the Department of State Foreign Affairs (DOSFAN) Electronic Research Collection , a digital library of electronically archived information products produced by the U.S. Department of State from 1990 through 1997, which includes the archived Web sites of the U.S. Arms Control and Disarmament Agency (ACDA) and the U.S. Information Agency (USIA).

GPO thanks the University of Illinois at Chicago for their efforts to maintain this valuable resource, and looks forward to continuing this successful partnership with the University.
