

## **Microfiche distribution program information**

Friday, February 29, 2008 - Last Updated Sunday, July 27, 2008

---

A new microfiche vendor, Data Management Internationale, was recently selected for program 823-S (Bound Congressional Record), effective November 1, 2007, replacing Thomson West Court Records Service (West/CRS). Please send claims to the new contractor at the below address, which now appears on the shipping lists.

Data Management Internationale  
55 Lukens Drive  
New Castle, DE 19720  
(302) 656-1151

Contracts with West/CRS for several microfiche document sets have expired and are now being reviewed. Among them are 613-S (Code of Federal Regulations) and 562-S (Senate and House Committee Prints, Reports, Documents and Joint Committee Publications). Distribution of microfiche titles for these documents will resume when the contracts are awarded, projected to be in March.

We will notify the community upon the selection of the new vendor(s).
