

The Social Security Administration's 2007 Red Book, A Summary Guide to Employment Support for Individuals with Disabilities under the Social Security Disability Insurance and Supplemental Security Income Programs, Part 1 of 2 and Part 2 of 2, was issued on shipping list 2008-0005-S.

There was an error on the shipping list. The shipping list should have read "Part 1 and Part 2." Additionally, the books were mixed in the boxes GPO received. As a result, some libraries received part 1, and some received part 2. All libraries should have received both parts.

GPO has extended the retention date for this item past the normal 60 days, so that libraries have the opportunity to obtain the missing part. If your library is in need of a missing part, please submit your claim before May 9, 2008. At that time, all residual copies will be exhausted.
