

## **Who is eligible to become a FDLP Partner?**

Monday, June 18, 2007 - Last Updated Tuesday, October 07, 2008

---

An institution that has a project, resource, or service that would benefit the depository library community as whole may be eligible to form a partnership with GPO. Partner institutions may include individual depository libraries, library consortia, or other institutions, such as Federal agencies. Partnerships may include more than two parties.
