## Federal Depository Libraries

---

What is a Federal depository library?

**A library that provides free access to Federal Government information in order to ensure an informed citizenry and an improved quality of life.**

### What can the FDLP do for me?

- Guaranteed, FREE access to official U.S. Government information
  - Research assistance from Federal depository librarians
  - Official documents from Congress, Federal agencies, the White House, the U.S. courts, and much more
  - Information on a wide variety of topics including science, history, health, careers, defense, statistics, travel, citizenship, environment, education, genealogy, and small business management
- Databases, U.S. Government websites, eBooks, books, maps, journals, periodicals, handbooks, pamphlets, charts, and more
  - Approximately 1,200 locations throughout the U.S. and its territories
  - Current and historic materials
