

Print Distribution Titles (PDT) List

Criteria

Titles on this list were selected based on a mix of criteria including statutory requirements for the title to be printed, popularly selected serial titles, non-ephemeral maps where the online version lacks sufficient resolution, time-series statistical data, titles of a reference nature, and where the print version is the legally controlling version in some jurisdictions.

Titles on the list are distributed in varying quantities, including an unlimited quantity, 50 copies, and 20 copies.
