

GPO & FDLP A Rich History, A Vibrant Future

Davita Vance-Cooks, Agency Director
U.S. Government Publishing Office

Depository Library Council Meeting and
Federal Depository Library Conference
October 19, 2015

The New GPO, and still *Keeping America Informed*

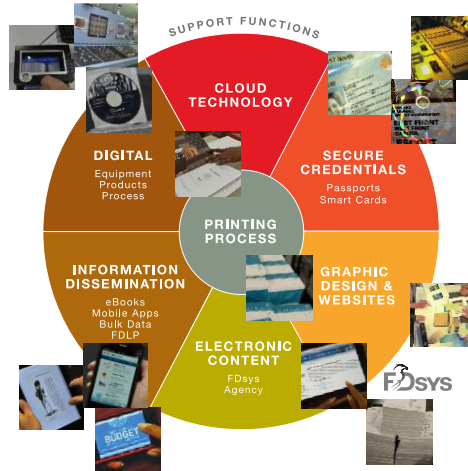

**GPO is NOW the
U.S. GOVERNMENT PUBLISHING OFFICE**

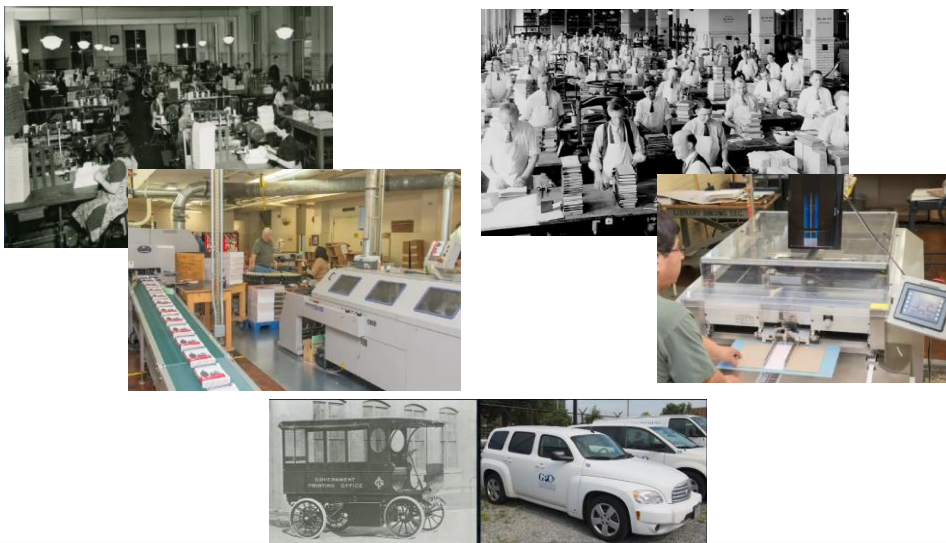

*"The name Government Publishing Office
better reflects the services that GPO currently
provides and will provide in the future..."*

—Davita Vance-Cooks, Director

GPO Publishing Transformation

Transition to Digital

Digital

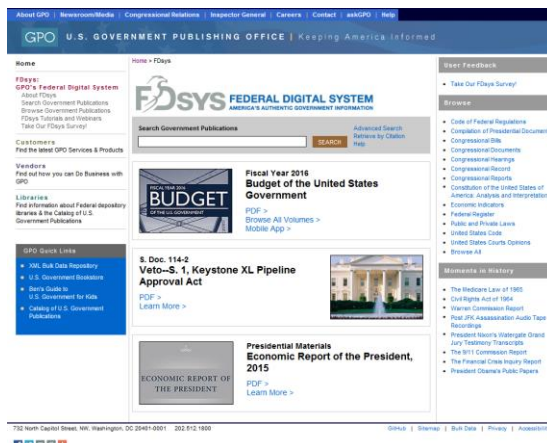

- Products
- Services
- Process

GPO's Federal Digital System (FDsys)

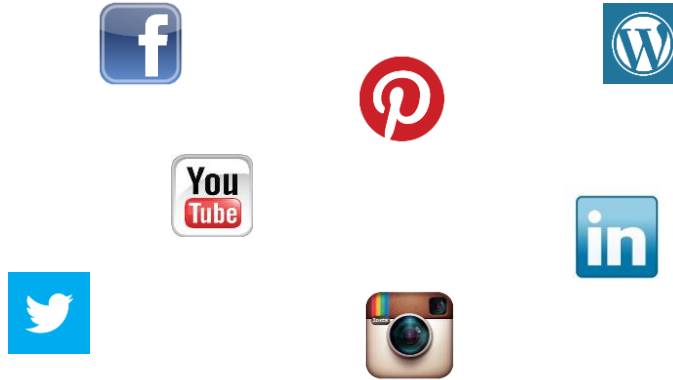

Your source for America's authentic Government information from all three branches of Government

- Free access
- Easy to use
- Search or browse more than 50 collections

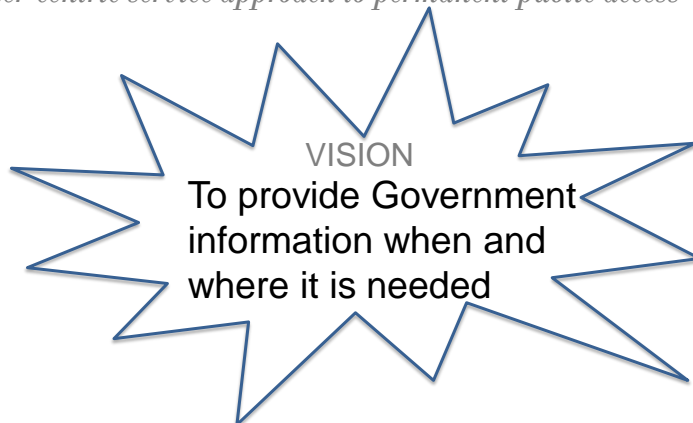

<http://www.gpo.gov/fdsys>

Social Media

National Plan for Access to U.S. Government Information

A user-centric service approach to permanent public access

GPO & Federal Depository Libraries

Provide free public access to Federal Government information

1,158 libraries across the U.S. and the territories

Thank you

Davita Vance-Cooks, Agency Director
U.S. Government Publishing Office
