

Print Distribution Dashboard

Print Distribution Titles in the FDLP

This dashboard displays print selectors on a map. The data can be filtered by Title, SuDoc Class, Item Number, FDL Number, and Preservation Steward status.

- (1) Selector information is on the left side.
- (2) The Dashboard will be updated monthly. The last update is displayed in the lower left corner.
- (3) The dots:
 - Blue dots on the map indicate the library has a Preservation Steward agreement for one or more PDTs.
 - Orange dots on the map indicate the library does not have a Preservation Steward agreement for a PDT.
 - Click on dots to review selection information.
- (4) The NCSAs are color-coded on the map.
- (5) Filters run across the top.

You can zoom in and pan around on the map.

If you click on a library's dot on the map, use the arrows at the bottom to review all selection information

SuDoc Class	Item Number	FDL Number
No category selected	No category selected	0618

To reset a filter, click on the Reset button in the filter, or click the global reset button in the lower right corner.

The screenshot displays a web application interface with a filter panel on the left and a main content area on the right. The filter panel has two sections: 'FDL Number' and 'Preservation Steward'. The 'FDL Number' section is expanded, showing a search bar and a list of options: 0001, 0002, 0003, 0005A, 0007 (selected), and 0007B. A red box highlights the 'Reset' button at the bottom of this list. The 'Preservation Steward' section shows 'No category selected'. The main content area on the right has two sections: 'Federal Depository Libraries' and 'National Collection Service Areas'. The 'Federal Depository Libraries' section shows two categories: 'Depository Library - Preservation Steward' (blue dot) and 'Depository Library' (yellow dot). The 'National Collection Service Areas' section shows four regions: South (pink), West (blue), Midwest (green), and Northeast (grey). At the bottom right, there is a 'Number of Selections' section showing the number '3' and a circular refresh button.

To download the data displayed in the dashboard, click on the three dots and Download source data.

The screenshot shows a web interface titled "Print Distribution Dashboard". Below the title is a section labeled "Print Selectors". Inside this section, there is a list item for "0002 - Auburn University, Ralph Brown Draughon Library". The list item includes the following details: "Academic General (AG), South", "Agricultural Statistics", "PDT Quantity: 50", and "Preservation Steward for this title? No". To the right of the list item, there is a vertical menu with three dots at the top. A red circle with the number "1" is placed next to the three dots. A red circle with the number "2" is placed next to the "Download source data" button, which is highlighted with a blue box. A hand cursor is shown clicking on the button.
