**ALL DEPOSITORY LIBRARIES** must complete the Withdrawal Action Form, regardless of whether the titles were received. This form notifies GPO and the agency that appropriate action has been taken, or that no action was required because these volumes were not in your collection.

You can access the Withdrawal Action Form at:

Through the submission of this form, your library will be in compliance with this Superintendent of Documents' directive. Please complete the form no later than **February 26, 2026**.

**Additional Formats**

**Please note:** Selecting depository libraries received the volumes in microfiche format. However, paper copies were available from the U.S. Marine Corps at the time of publication, and publishers such as Readex included military registers in their commercial products. We recommend you review your collections and handle non-depository copies in accordance with your institution's policy for PII.

Thank you for your cooperation and prompt attention to this matter.

Sincerely,

SCOTT MATHESON  
Superintendent of Documents
