2. **Find out your depository library number and internal and external passwords.** The number is on the inside flap of the shipment box. Send a message to the GPO Contact Center at <<http://www.gpoaccess.gov/help>> to obtain passwords if they can't be located. Update your library's Directory entry at <[www.access.gpo.gov/su\\_docs/fdlp/tools/ldirect.html](http://www.access.gpo.gov/su_docs/fdlp/tools/ldirect.html)>.

3. **Find Item Lister of item selections** at <[www.access.gpo.gov/su\\_docs/fdlp/tools/itemlist.html](http://www.access.gpo.gov/su_docs/fdlp/tools/itemlist.html)>. Review item profile for additions and deletions ideally along with a written government documents collection development policy in hand. Physically handle the material at your library and visit neighboring depositories to examine potential additions. Use the "Suggested Core Collections" at <[www.access.gpo.gov/su\\_docs/fdlp/pubs/fdlm/corelist.html](http://www.access.gpo.gov/su_docs/fdlp/pubs/fdlm/corelist.html)> and the Documents Data Miner features <<http://govdoc.wichita.edu/ddm/GdocFrames.asp>>.

4. **Locate Inspection Reports, self-study submission and LPS Self-Study Evaluation** report (if applicable), and **Biennial Surveys**. Find any annual reports for the depository operation. Review these materials to determine whether the depository operation is in compliance with GPO's rules and regulations concerning bibliographic control, equipment, public service, etc. If you can't locate this information, send a message to the GPO Contact Center at <<http://www.gpoaccess.gov/help>> and photocopies will be made from your library's permanent file and sent to you.

5. **Contact your regional librarian** for disposal instructions and advice. Find out whether there is a state electronic discussion list and how to sign up, whether there is a government documents group in the state or region and join it. Contact neighboring depositories for networking opportunities, cooperative collection development, and promotion possibilities.
6. **Subscribe to GPO-FDLP-L** <[gpo-fdlp-l@listserv.access.gpo.gov](mailto:gpo-fdlp-l@listserv.access.gpo.gov)>; <<http://listserv.access.gpo.gov/>> **and other electronic discussion lists**, such as:

7. **Find out about the library's mission, vision, goals, strategic planning** documents so that you know how the depository operation fits into your setting. Who has purchasing power? Who are the techies? Find out whether there is a department budget for purchasing supplementary commercial reference tools, computer equipment, replacements for lost/damaged materials, travel/training, etc. Communicate with your library administration.
8. **Look for training opportunities** on the local to national level. GPO offers several opportunities, including:
  - Interagency Depository Seminar, held annually for 5 1/2 days in Washington, DC. Preliminary agenda appears in Administrative Notes.
  - Federal Depository Library Conference, combined with the fall Depository Library Council meeting. Held annually in the Washington, DC metro area. Preliminary agenda appears in Administrative Notes.
  - Depository Library Council meetings, held semiannually. Fall meetings take place in the Washington, DC metro area; spring meetings are located in other parts of the U.S. Preliminary agenda appears in Administrative Notes.

Orientation sessions for new depository staff are held at both meetings, providing opportunities for networking and getting basic questions answered.
