

GovInfo Enhancements & New API Search Service – Chat Log

from Trina Magi to everyone:

I really appreciate the scope notes on the collection landing pages. Thanks so much for that.

from Susanne Caro to everyone:

I love that the results are now by date! That is fantastic!

from Elisabeth Garner to everyone:

That's great. Thanks for making that color change!

from Jon Quandt to everyone:

from Jon Quandt to everyone:

Search Service Overview Article

from Jon Quandt to everyone:

New GovInfo API feedback on GitHub: <https://github.com/usgpo/api/issues/new>

from Ronnie Joiner to everyone:

What is the tool called again?

from Susanne Caro to everyone:

Looking forward to playing with this resource

from Jon Quandt to everyone:

The tool is called Postman. See info on the GovInfo API here:

from Daniel Cornwall to everyone:

Thanks!

from Laurie Aycock (privately):

Hey. When our slides are up, I use the arrows at the top to advance them. Is that right?

to Laurie Aycock (privately):

Yes, that is correct.

from Laurie Aycock (privately):
Thanks!

from Jackie McFadden to everyone:
Hi Amanda!
