I too will miss Jane so very much. Her work for public access to government information and access to underserved communities will be hard to replac e.

from Keven McGinn to everyone: 3:50 PM
+1 Aimee

from Jacqui Celecia to everyone: 3:51 PM
+1 Aimee

from Jenny Groome to everyone: 3:53 PM
Anyone here able to share these comments with Jane? She may not realize her impact on such a broad audience.

from DLC - Aimee Quinn to everyone: 3:54 PM
I can.

from Kate Irwin-Smiler to everyone: 3:54 PM
+ Jenny

from Jenny Groome to everyone: 3:55 PM
Thanks Aimee

from Keven McGinn to everyone: 3:55 PM
Thank you, Aimee!

from Charlie Amiot to everyone: 3:56 PM
I have questions about the 19 depositories leaving/soon leaving. Not sure where to ask that.

from Cindy Etkin to everyone: 3:56 PM

Strong agreement, Susanne. Thanks for great work, GPO!

from Sinai Wood to everyone: 4:07 PM
Thanks Council, btw, for letting the peanut gallery have a back channel.

from James Jacobs to everyone: 4:07 PM
mmmm peanuts

from Sinai Wood to everyone: 4:07 PM
lol

from Jenny Groome to everyone: 4:07 PM
+1 Gwen - yes!

from Jenny Groome to everyone: 4:08 PM
And for new library directors

from Brylynn K. Ellis to everyone: 4:08 PM
That would be amazing! I'm not a new coordinator but I'm picking up a FDLP collection that wasn't maintained and I always have questions

from DLC - Susanne Caro to everyone: 4:08 PM
We've talked about having a mentor program in the past- we need to find a way to connect people

from Kate Irwin-Smiler to everyone: 4:08 PM
I feel like it's a "pretzel gallery" here.

from Sinai Wood to everyone: 4:08 PM
lol

from Charlie Amiot to everyone: 4:08 PM
+1 Kate

from James Jacobs to everyone: 4:08 PM
oh I miss those afternoon hot pretzels at past DLCs

from DLC - Susanne Caro to everyone: 4:10 PM
+1 Josh

from Scott Briggs to everyone: 4:10 PM
+1 Josh reasons to give to administrations.

from Brylynn K. Ellis to everyone: 4:10 PM
I think council because of course GPO would want FDLPs to stay

from James Jacobs to everyone: 4:11 PM
I think this is a great thing for Council to take up

from Angela J.A. Kent to everyone: 4:11 PM
Agree with Gwen

from DLC - Susanne Caro to everyone: 4:12 PM
+1 Gwen

from Keven McGinn to everyone: 4:12 PM
AGREE that more DLC Meetings like this would be eXcellent! This particular meeting has been VERY informative. My situation is unique: we have a new Director who is keen on not only leaving the FDLP, but on destroying the historical collection.

from DLC - Amy Laub to everyone: 4:12 PM
+1 Josh and Gwen

from James Jacobs to everyone: 4:12 PM
there are 2 pieces to that. there's outreach to library directors and then there's outreach to library coordinators

from Sinai Wood to everyone: 4:12 PM
yes, two sheets

from James Jacobs to everyone: 4:12 PM
but you also need to give coordinators support for them advocating to their directors

from Scott Briggs to everyone: 4:13 PM
+1 James

from Jacqui Celecia to everyone: 4:13 PM

from Amy Fitch to everyone: 4:13 PM
+1 James

from James Jacobs to everyone: 4:13 PM
there was a question in the chat earlier today from a coordinator that points to that need

from Andrea Stelljes to everyone: 4:13 PM
Part of the question was for training for new coordinators which is separate from a sheet for directors

from Keven McGinn to everyone: 4:14 PM
+1 James

from Sinai Wood to everyone: 4:14 PM
Not everyone here is on godort, i would guess

from Kate Irwin-Smiler to everyone: 4:14 PM
Sinai: Correct!

from Holly Chambers to everyone: 4:14 PM
@Keven does your director think all documents are online? Or perhaps they don't care.

from Sinai Wood to everyone: 4:14 PM
or on govdoc-l

from Keven McGinn to everyone: 4:14 PM
CORRECT!

from Charlie Amiot to everyone: 4:14 PM
It's those pesky ALA memberships fees that keeps me out of GODORT.

from Bill Sudduth to everyone: 4:15 PM
The statement might be more meaningful if it comes from the agency and council.

from Sinai Wood to everyone: 4:15 PM
we could crowdsource the sheets

from Sinai Wood to everyone: 4:15 PM
to help council and gpo

from James Jacobs to everyone: 4:15 PM
+1 Sinai

from Ester McShepared to everyone: 4:16 PM
BOTH

from Keven McGinn to everyone: 4:16 PM
@Holly BOTH. And much ignorance sprinkled in. We have been a depository since the 1950's.

from Bill Sudduth to everyone: 4:16 PM
In some states communications from ALA or its constituent parts is a non-starter (politically).

from Sinai Wood to everyone: 4:16 PM
good point Bill

from Joshua Olsen to everyone: 4:17 PM
I found my regional to be helpful in this regard. Since a lot of people have seen the move to a digital FDLP as somehow equaling leaving the FDLP. More formal one pagers would be a boon.

from Jenny Groome to everyone: 4:17 PM
Sorrly - jumping out for a reference question. Might be back. Thanks Councilmembers

from DLC - Kelly Smith to everyone: 4:17 PM
I had my hand up to comment before vote. I'm not understanding what difference would exist between two separate sheets.

from Keven McGinn to everyone: 4:17 PM
With the help of our Regional Coordinator and the GPO I have so far been able to stand in the gap for the FDLP.

from DLC - Jen Kirk to everyone: 4:18 PM
sorry, Kelly.

from DLC - Kelly Smith to everyone: 4:18 PM
no worries

from Jenny Groome to everyone: 4:18 PM
+1 Aimee. Yes!!

from James Jacobs to everyone: 4:18 PM
good job Keven!

from Jenny Groome to everyone: 4:19 PM
Give time for thought and reflection. And to meet with newbies in between meetings

from Kate Irwin-Smiler to everyone: 4:19 PM
+1 Aimee!

from Sinai Wood to everyone: 4:19 PM
and a lot since Fall 2023

from Keven McGinn to everyone: 4:19 PM
@ Joshua Thanks!

from DLC - Angela Bonnell to everyone: 4:19 PM
F2F was far superior to an online session :)

from Keven McGinn to everyone: 4:19 PM
@James THANKS!

from Kate Irwin-Smiler to everyone: 4:19 PM
These is consistently the most exhausting professional meetings I attend. It's better in person.

from Kate Irwin-Smiler to everyone: 4:20 PM
*are

from Jenny Groome to everyone: 4:20 PM
Especially since virtual must account for time zones, unlike in person. That means each day is only half a day

from Keven McGinn to everyone: 4:21 PM
I CAN'T retire! I have an FDLR Collection to save!

from Jenny Groome to everyone: 4:21 PM
I miss the Spring conference in-person. It cost less to fly across country than to drive to DC and get a hotel room

from Jenny Groome to everyone: 4:21 PM
+1 Keven! You go!!

from DLC - Aimee Quinn to everyone: 4:21 PM
I applaud you and will help you all I can Keven McGinn!

from Amy Fitch to everyone: 4:21 PM
+Kevin

from Holly Chambers to everyone: 4:22 PM
+1 Keven

from Amy Fitch to everyone: 4:22 PM
oops +1 Keven

from Keven McGinn to everyone: 4:23 PM
MANY Thanks, Council! I need all the help I can get. I fly solo in my GOV DOC Department!

from James Jacobs to everyone: 4:25 PM
we should have collection development stewards who are charged with feeding GPO with unreported docs.

from Cindy Etkin to everyone: 4:28 PM
GPO Budget Justifications: <https://www.gpo.gov/who-we-are/our-agency/congressional-relations>

from James Jacobs to everyone: 4:29 PM
over time, GPO budgets have been stagnant or falling though digital collection development and preservation are potentially MORE expensive than a print program

from James Jacobs to everyone: 4:29 PM
thanks cindy

from Angela J.A. Kent to everyone: 4:29 PM
Agree with Suzanne. Especially if the costs outline the cost of maintaining digitization and digital pubs.

from DLC - Aimee Quinn to everyone: 4:30 PM
Also agree with Susanne about costs!

from Angela J.A. Kent to everyone: 4:30 PM
And possibly how digital development is shared across the entire GPO functions.

from James Jacobs to everyone: 4:30 PM
2010 approp \$147,461,000, 2024 approp 132,488,000 (Requested)

from DLC - Susanne Caro to everyone: 4:31 PM
As someone mentioned in the chat earlier- digital isn't free. Knowing how much it costs to keep these publications accessible, to improve access and such is good information to have. (thinking about the Just Google it Act from years ago).

from James Jacobs to everyone: 4:31 PM

from Jenny Groome to everyone: 4:32 PM

+1 Susanne

from James Jacobs to everyone: 4:33 PM

the sheer amount of exec branch publishing has exploded with only a very very small number of those publications making it into the CGP/National Collection. GPO needs funding to actually build infrastructure for exec agencies to digitally publish

from Kate Irwin-Smiler to everyone: 4:33 PM

Sorry if I missed it (had to pop out for some phone calls) - did we get any information about the 19 libraries leaving?

from Suzanne Ebanues to everyone: 4:33 PM

Each type of partnership, Digital content contributor, etc., have a template MOA which has standard language. The standard language includes clauses about termination. There are sample MOAs at <https://fdlp.gov/about/partnerships>.

from James Jacobs to everyone: 4:34 PM

the "national collection" is for all intents and purposes a "congressional collection"

from Jennifer Morgan to everyone: 4:35 PM

There needs to be regular check-ins by GPO with the partner FDLs, especially when the coordinator changes. The IU floppy disc project was created (a LONG time ago) by one coordinator, and then was deactivated under the next coordinator at the request of their admin. They might not have had knowledge of the MOA with GPO.

from Kate Irwin-Smiler to everyone: 4:35 PM

+ jennifer!

from Jenny Groome to everyone: 4:36 PM

+1 Jennifer!!

from Jacqui Celecia to everyone: 4:37 PM

+ Jennifer

from Jenny Groome to everyone: 4:37 PM

When coordinator changes - and when director changes

from Becki White to everyone: 4:37 PM

Are coordinators at partner FDLs required to notify GPO when they are leaving, so GPO can work with them and their successor on keeping things going?

from Kate Irwin-Smiler to everyone: 4:38 PM
+1 Jenny!

from James Jacobs to everyone: 4:38 PM
yes the time to check in on a partnership is NOT when the library partner has decided to stop doing what they signed up to do

from Jennifer Morgan to everyone: 4:38 PM
+1 Jenny

from Jacqui Celecia to everyone: 4:38 PM
+ Becky

from Jennifer Morgan to everyone: 4:38 PM
Make it easier for us to communicate with GPO please.

from Jenny Groome to everyone: 4:39 PM
@Becki - it's not always possible to notify GPO. Example - I had a baby at 6 months and couldn't give my employer much notice, let alone GPO. and he's fine - going to be 19 on Saturday

from Kate Irwin-Smiler to everyone: 4:39 PM
<3 Jenny!

from Jenny Groome to everyone: 4:39 PM
YES jennifer! It is so cumbersome to communicate with GPO.

from Janelle Nash to everyone: 4:39 PM
I don't remember that being in the agreement that I was part of

from Brent Abercrombie to everyone: 4:40 PM
A sucession clause for a MOA?

from DLC - Susanne Caro to everyone: 4:40 PM
Jennifer- are you asking for a quicker turnaround for askGPO or another way to contact them (phone, chat)

from Jenny Groome to everyone: 4:40 PM
+1 Brent

from Jennifer Morgan to everyone: 4:40 PM
It's hard to keep track of what login credentials to use for which GPO channels. And if I forget the password, it takes forever to reset.

from Kate Irwin-Smiler to everyone: 4:40 PM
Jennifer: yessssssss

from DLC - Angela Bonnell to everyone: 4:41 PM

"In the event ISU can no longer perform their responsibilities under the terms of this agreement, notify GPO at least ninety (90) days before termination of their responsibilities so that GPO can arrange for an alternative method of access."

from Janelle Nash to everyone: 4:41 PM
Jennifer +1

from DLC - Angela Bonnell to everyone: 4:41 PM
This is what our MOU states.

from Jenny Groome to everyone: 4:41 PM
And it isn't always clear which part of GPO communication web pages we are to use for which topic. Sorry - not well written, I am working on a reference question too

from Jennifer Morgan to everyone: 4:41 PM
@Susanne -- logging in to communicate anything is sometimes a barrier. I give up too easily. LOL

from Scott Matheson to everyone: 4:41 PM
The agreements are here: <https://www.fdlp.gov/about/partnerships> along with the list of current partnerships

from Jennifer Morgan to everyone: 4:42 PM
+1 Brent!

from Angela J.A. Kent to everyone: 4:43 PM
Agree

from DLC - Angela Bonnell to everyone: 4:43 PM
I agree

from DLC - Amy Laub to everyone: 4:43 PM
+1 Valerie

from Keven McGinn to everyone: 4:44 PM
GPO has always answered me very promptly! Just saying...

from Becki White to everyone: 4:44 PM
Thank you, Scott!

from Elisabeth Garner to everyone: 4:44 PM
@Jennifer, regarding passwords, yes! I keep a Word document in my Sharepoint folder with all the various passwords I need for GPO related sites

from Tom Rohrig to everyone: 4:45 PM
+ Garner

from Jenny Groome to everyone: 4:45 PM

And if you want to report a lost document but are no longer at an FDLP library...

from Joshua Olsen to everyone: 4:46 PM

GPO is responsive, but yes just knowing where to login and with what credentials can be a barrier. If the last coordinator left abruptly or without training their replacement.

from Charlie Amiot to everyone: 4:46 PM

19 libraries.

from Charlie Amiot to everyone: 4:46 PM

Are leaving/left.

from James Jacobs to everyone: 4:46 PM

I'll bring my comment back to the top (er... bottom) of the chat: the sheer amount of exec branch publishing has exploded with only a very very small number of those publications making it into the CGP/National Collection. GPO needs funding to actually build infrastructure for exec agencies to digitally publish

from Charlie Amiot to everyone: 4:47 PM

Isn't it up from 3?

from Brent Abercrombie to everyone: 4:47 PM

Indiana had/has a few libraries leaving and that caught my attention.

from DLC - Susanne Caro to everyone: 4:47 PM

It would be good know why they are leaving.

from Scott Matheson to everyone: 4:47 PM

LSCM carefully tracks depository libraries that ask about the process for relinquishing FDLP status. Calls are arranged with library staff and their designated regional coordinators. Many libraries that are at some point included in this count decide to remain in the FDLP after those discussions.

from Jennifer Morgan to everyone: 4:47 PM

GPO is great at answering my questions, if I can remember how to log in. I use multiple browsers on multiple computers. But GPO response time is great.

from Jennifer Morgan to everyone: 4:47 PM

@Brent - yes, too many Indiana libraries leaving.

from Kate Irwin-Smiler to everyone: 4:47 PM

why does it make sense that libraries would leave as we move to digital? wasn't the idea that digital would lower the burden & encourage people to stay?

from Jenny Groome to everyone: 4:47 PM

May I just say - recnetly these have been pleasant meetings. When I first attended DLC as a coordinator, Council was holding GPO to account. Kudos to Superintendent of Docs and DLC members.

from Chris Brown to everyone: 4:48 PM

It is unusual. Here are the number of FDLs annually according th GPO Annual Reports:2017 = 1143

2018 = 1133

2019 = 1120

2020 = 1100

2021 = 1113

2022 = 1110

2023= 1106

from Jenny Groome to everyone: 4:48 PM

Sessions for directors and IT staff may be helpful for coordinators who want to remain in program

from James Jacobs to everyone: 4:48 PM

yes

from Keven McGinn to everyone: 4:49 PM

@Joshua Agree! Thank you.

from James Jacobs to everyone: 4:49 PM

perhaps. but exec branch agencies are basically ignoreing T44 now

from Elisabeth Garner to all panelists: 4:50 PM

By remaining in the FDLP, we can still receive many, many free catalog records from MARCIVE.....so many of our online records are relavant to our students here at the University

from James Jacobs to everyone: 4:50 PM

but GPO *could* provide services to exec branch agencies

from Jennifer Morgan to everyone: 4:50 PM

@James -- publishing and archiving! Documents on websites disappear when presidential administrations change. This information needs to be captured and archived.

from James Jacobs to everyone: 4:50 PM

agencies don't work with GPO because they have no need to work w GPO.

from Jenny Groome to everyone: 4:51 PM

Also - reaching Exec Agency staff training? I spent a bit of time explaining to a local office of an exec branch about GPO and submitting newsletters to CGP, etc. Up until then, my research guide was the archive for the newsletters. It was great to see content in CGP

from James Jacobs to everyone: 4:51 PM

so if GPO provided a service to agencies, maybe they'd work with GPO

from Jenny Groome to everyone: 4:51 PM

+1 James on all those comments

from James Jacobs to everyone: 4:51 PM

then the only other option is for the FDL community to crowdsource unreported docs

from Jenny Groome to everyone: 4:52 PM

James - we should be doing that anyway. At least as we come across them. Just out of civic duty and professional interest

from Jenny Groome to everyone: 4:53 PM

We need in-person conference so I can meet my on-line mentors from a distance

from James Jacobs to everyone: 4:53 PM

@Jennifer end of term crawl 2024 is gearing up to try and capture/archive .gov/.mil websites and publications

from Elisabeth Garner to all panelists: 4:53 PM

@Jenny, cheers to an in-person conference! :)

from James Jacobs to everyone: 4:53 PM

agreed Jenny. I've always hoped to flood GPO with unreported docs so they'd have to hire more catalogers :-)

from Jennifer Morgan to everyone: 4:53 PM

@James, but . . . broken links.

from Jenny Groome to everyone: 4:53 PM

I mean I'd meet the up close - the mentoring is from a distance. Thank goodness it's the end of the day for me

from Sinai Wood to everyone: 4:54 PM

Time to give and end of term crawl webinar, James.

from James Jacobs to everyone: 4:54 PM

me and my acq staffer target 10 agencies and then I also track on news etc to catch them

from Keven McGinn to everyone: 4:54 PM

WOULD love in- person!

from James Jacobs to everyone: 4:55 PM

(or "my acq staff and I" sorry for the grammatical error)

from Jenny Groome to everyone: 4:55 PM

Here's my terrible joke - my son made up when 8 or 10 (some have heard it already). Where does sue put her boat? Su Docs her boat at the pier. I'm proud he knew enough about my work to make up such a terrible joke

from Sinai Wood to everyone: 4:55 PM

James, you and your posse

from Kate Irwin-Smiler to everyone: 4:55 PM

Jenny that's adorable.

from James Jacobs to everyone: 4:56 PM

@jennifer yeah broken links. but that's what internet archive's wayback machine is for. And I'd love to extract actual documents from web crawls to have individual docs cataloged

from Jenny Groome to everyone: 4:56 PM

Shout Out! Susanne and Mamy

from Jenny Groome to everyone: 4:56 PM

Amy

from Cassandra Wenzel to everyone: 4:56 PM

Congratulations Susanne!

from Kate Pitcher to everyone: 4:57 PM
Congratulations new DLC members!!

from Jenny Groome to everyone: 4:57 PM
d, how many know about FDLP

from Sinai Wood to everyone: 4:57 PM
lol James, acq

from Jenny Groome to everyone: 4:57 PM
If you have a library board, how many know about FDLP?

from Kate Irwin-Smiler to everyone: 4:58 PM
Thanks DLC & GPO!

from James Jacobs to everyone: 4:58 PM
oh did I say staff or posse? I like having a posse better

from Sinai Wood to everyone: 4:58 PM
"me and my"

from Keven McGinn to everyone: 4:58 PM
Thank you, DLC, for inspirtation.

from Keven McGinn to everyone: 4:58 PM
INSPIRATION! oops...

from Keven McGinn to everyone: 4:59 PM
I wish I had a posse...

from Jennifer Morgan to everyone: 4:59 PM
Thank you DLC and GPO!!
